**PARKING – GARDENS**

Parking for this building is provided at the North end of the building.

The Tilbury units on the ground floor have parking outside the door.

Two spares in front of the building are to be left empty as a drop off.

This leaves 5 spares available at the front of the building. These are to be assigned to those who meet the following criteria:

- Are limited in ability to walk more than 50 feet without difficulty, pain, or respiratory problems.
- Those who have a handicap insignia on their license plate.

The Home's administrator will assist to determine those persons who meet the above criteria.

We ask that people do not park in the lot between the Gardens and the Pickwick Apartments, as these spots are for Pickwick tenants, visitors, and the Heritage Centre business.
