

**Leamington Mennonite Home
Complex**

POLICY AND PROCEDURE

CATEGORY: Complex	SUBJECT: Emergencies	SECTION: E POLICY: 1
DATE: September 2004 REVISION DATE: April 2013	Administrator's Signature: _____	

EMERGENCIES

POLICY:

A tenant experiencing a medical, security or personal emergency, may activate the Emergency Response System: Lifeline.

All tenants are advised to keep their Health Profile updated.

Emergency care to all tenants of the apartments and townhouses is provided via the Emergency Response: Lifeline System.

If the Registered Staff in charge, particularly in the evening or night shift finds themselves in conflict with care requirements of the Home and an emergency call from an apartment tenant, he/she shall remain in the Home and summons emergency help (ambulance) for any tenant.

Every tenant shall have a medical information form available in their apartment/townhouse, (either under phone or in cupboard over fridge). Copies are kept in the DOC office for reference. These are updated annually. (Copy attached).
