PET VISITATION

POLICY:

The Leamington Mennonite Home values the visits of pets. In order to support a positive visit from a family/visiting pet, pet owners are required to:

- Register and complete a Visitation Form for their pet with the Social-Rec. Director of the Home
- Ensure that the pet is kept on a leash at all times while visiting
- Maintain pet hygiene
- Limit the visitation to the identified resident
- Remove the pet immediately should any difficult and/or negative pet behaviours occur
- Remove the pet at the residents request

We thank pet owners for respecting these guidelines as they bring joy to our resident(s) with a pet visitation.

No resident pets are permitted in our Long Term Care Home for health and safety reasons.
