ALCOHOL USE BY RESIDENTS

POLICY:

Residents may procure and use alcohol responsibly with prior approval of the Administrator and Director of Care. Residents must be able to provide and dispense their own alcohol. All alcohol must be kept in a safe place in the resident's room.

The resident use of alcohol cannot pose a health and safety risk to other residents, staff, volunteers or visitors.

All residents are urged to be mindful of, and respect, the beliefs and values of their room mates with regard to the consumption of alcohol.
