THERAPY SERVICES

POLICY:

The Leamington Mennonite Home shall provide individualized and group therapy services to its residents.

PROCEDURE:

- Individual therapy services shall be provided to residents under the direction of a licensed Physiotherapist. The Physiotherapist shall assess the therapy needs of each resident upon admission, and thereafter on a quarterly and/or as needed basis and develop a plan of care for each resident accordingly. This plan of care shall be documented in the Physiotherapy Program Notes and the Resident Care Plans for integration in the residents nursing and personal care activities.
- The Physiotherapist shall instruct and direct the Adjuvant and Kinesiologist who assist in the provision of therapy services. This instruction and direction shall occur on a weekly basis or as determined by the resident's therapy needs.
- The Adjuvant shall provide group programming based on the assessed needs of the residents participating.
