DISHMACHINE SANITATION AUDIT

POLICY:

Leamington Mennonite Home will conduct regular dishmachine sanitation audits.

OBJECTIVE:

To ensure the correct chemical levels of sanitizer is being pumped into the dishmachine.

PROCEDURE:

Twice a day, 9:00am and 5:30pm, the sanitizer will be checked by staff members. The 9:00am audit will be conducted and recorded by the "H" shift and the "3" shift will conduct the 5:30pm audit and record the result.

The test strips will be located on top of the dishwasher for staff's availability.

The Dietary Aide completing the test shall report any unsatisfactory test results immediately to the Director of Dietary & Support Services who will implement corrective measures.
