HOME MEMORIAL SERVICES

POLICY:

Our Home encourages Memorial Services for Home residents held at the Leamington Mennonite Home. Such services are arranged through mutual agreement with the family, funeral home and LMH Staff.

PROCEDURE:

Home Administration extends an invitation to resident families regarding a memorial service. The Home Chaplain co-ordinates and leads the service in co-operation with the Home Administration. Opportunity and encouragement is given to all LMH staff members to express their sympathy to resident family members at the close of the memorial service.
